

Ivy City Community Choir

Bethesda Baptist Church is interested in establishing a choir to enhance community unity through the community's angelic voices.

All are invited to join, especially those who are neither unchurched or unsaved.

Although, we are committed to evangelize people to salvation in accordance to our Biblical commission, we will not pressure people to do so or to become a church member.

The Choir will sing at various community events. We believe that only the Holy Spirit will guide one's footsteps.
